CURE FOR CHOLERA MORBUS
"When our little boy, now seven years old, was a baby, he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family has used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.—Adv. d&wlm

Jerks the Heartstrings.
Marjorie—"The boys are simply wild about her and she can't sing at all." Lillian—"Did you ever see how sweetly she can cry?"

Kitty Talked to Him.
Jack Robinson, three years old, Shelby, O., has a bulldog with an abbreviated tail. The remnant of caudal appendage would make an ideal handle, and most children of Jack's tender age would employ it as such—but Jack never does. When interviewed by our reporter on the subject, young Mr. Robinson explained his position as follows: "No, I don't hold him by the tail. Once I took my kitty by the tail. But she looked around and whispered to me, and then jagged me with her feet." "Whispered to me!" Can Maeterlinck beat that?

LIVER TROUBLE.
"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.—Adv. d&wlm

Notice is hereby given that I, Hodge Bailey, Sheriff of Grady County, Oklahoma, will, on the 19th day of September, 1916, at the hour of 10 o'clock a. m. of said date, at the front door of the court house in the city of Chickasha, Oklahoma, Grady County sell to the highest bidder for cash in hand the following described real estate, to-wit:

West three-quarters of the north half of the southeast quarter and east three-quarters of the north half of the southwest quarter of section 31, township 10, north, range 6 west, Grady County, Oklahoma.
